Ideas to Get the Creativity Flowing

- **Nursing home or similar jobs with the elderly:** add a garden activity or garden corner for the residents to help plant, tend and watch grow
- **Desk Job:** add a small container with lettuce growing on the corner of your desk and offer it to your fellow employees to add to their sandwich or salad.
- **Around your workplace:** Add to the decorative flowers edible produce in small pots.
- **After work opportunities:**
 - If you have more produce than you need, offer your friends or neighbors to come over and help you harvest
- **Income potentials:**
 - **Grow extra produce and sell**
 - Farmers market
 - Local Facebook groups
 - Friends and family
 - Local restaurants looking for local, untreated produce
 - **Sell**
 - Flowers to your local flower shop
 - Hot compost
 - Plant starts in the spring
 - Saved seeds
 - Pictures from your garden online
 - **Do**
 - Provide a gardening class for your neighborhood or community
 - Hire out your garden for parties
 - Hire out your garden for a painting class
 - Provide garden consulting
 - Provide garden designing
 - Write a gardening e-book
 - Offer your garden for yoga classes
